

Project: Utah Transit Authority Provo-Orem Bus Rapid Transit BRT

Recipient: Utah Transit Authority

Location: Salt Lake City, Utah

Purpose: Funds for this project will be allocated to complete preliminary engineering, design work and acquire property for the bus rapid transit (BRT) corridor, which is approximately 10 miles long and will have 19 stations. It is planned to have two center, exclusive BRT lanes through most of the project, traffic signal priority, center-platform stations with canopies and passenger information. It is planned to operate in coordination with local routes and run on five-minute headways.

Provo Orem Bus Rapid Transit received \$4,018,000 in FY 2008. Due to processing delays occurred in the New Starts process the funds have not been obligated. In order to allow the funding to be available for one more year and allow it to be used for the Provo Orem terminals, we request the following report language in addition to above funds:

"Section _____. Amounts provided for Provo Orem Bus Rapid Transit, in Public Law 110-161 shall not be reallocated and shall be made available for Provo Orem Bus Rapid Transit and intermodal terminals."

Amount: \$5,000,000
